

4. BELIEF workshop for the New Member States and Candidate Countries: 26-27 November 2008, Warsaw (PL)

List of offers/demands for local actors

Municipality/ Company/Organisation	Problems / Barriers	Plans / Needs /Offers
<p>Stowarzyszenie Lokalna Grupa Działania "Dolina Rawki"</p> <p>Contact: Dorota Niezabitowska-Pawlikowska Email: krainarawki@wp.pl Tel: + 48 (46) 814 42 41</p>		<p>Local group „Dolina Rawki“ is interested in exchange of experiences between the rural regions in different EU countries (so far partnership with the Marche region in Italy). The main goal is to implement EU environmental protection policy, the use of sustainable, competitive and safe energy. Interested in the exchange of territorial and social analysis in order to study and integrate alternative energy technologies in the rural territories.</p>
<p>Mazowiecka Jednostka Wdrażania Programów Unijnych</p> <p>Contact: Leszek Piątkowski Email: l.piatkowski@mazovia.pl Tel: +48 (22) 3231911</p>		<p>Expertise and advise on how to use the EU funds for sustainable energy projects and/or organisation of the local forums and capacity building within the municipalities.</p>

4. BELIEF workshop for the New Member States and Candidate Countries: 26-27 November 2008, Warsaw (PL)

List of offers/demands for local actors

<p>Starostwo Powiatowe w Bielsku – Białej</p> <p><u>Contact:</u> Grzegorz Szetyński Tel: +48 (33) 8136 804</p>	<p>- low level of communication between municipality and other local actors, no participatory models of decision-making in practice, usually explained as the way to efficiently conduct the procedures. Also motivated with the lack of discussion culture.</p>	<p>Interested in renewable energy sources development in the county. Looking for partnership in the framework of the European projects (participation in the project with Italian partners). Interested in the promotion of the local forums in the county.</p>
<p>Miasto Płońsk</p> <p><u>Contact:</u> Andrzej Pietrasik - mayor</p>		<p>Municipality is open to exchange the experience and provide information on their project: construction of a biomass plant producing heat and electricity (CHP unit) in order to feed district heating and prepare domestic hot water for about 23000 inhabitants. Modernisation of the heating system was entrusted to the private company owned by the municipality. Project was awarded an energy award at the EU level. Municipality's ambition is to retrofit residential and public buildings in the future.</p>
<p>Miasto Bielawa</p> <p><u>Contact:</u> Runowicz Witold</p>		<p>Municipality is taking advantage of its membership in the Polish Network Energie-Cités (PNEC), using experiences of other city members in the field of sustainable energy use. Bielawa recommends other cities to become members.</p>

4. BELIEF workshop for the New Member States and Candidate Countries: 26-27 November 2008, Warsaw (PL)

List of offers/demands for local actors

<p>EC BREC <u>Contact:</u> Grzegorz Wisniewski Marcin Wlodarski</p> <p>E-mail: warszawa@ecbrec.pl Tel: +48 22 5100-200</p>	<ul style="list-style-type: none"> - insufficient support to RES initiatives addressed to individual householders or small private companies; 	<p>The mission of EC Baltic Renewable Energy Centre is to stimulate development of renewable energy sources (RES) in Poland through scientific research, development of innovative technologies, creation of relevant policies, strategies and plans, and implementing RES projects. It supports all actions aiming at optimisation of RES utilisation in Poland through assistance to regional and local authorities in creating strategies and plans of renewable energy development that ensure sustainable and efficient utilisation of resources.</p>
<p>"PZ-BUD" Sp.z o.o (Construction company)</p> <p><u>Contact:</u> Mr. Wiesław Wolny E-mail: wolny-pol@pz-bud.pl Tel: +48 (22) 6203148</p>	<ul style="list-style-type: none"> - insufficient awareness on the role of energy in local economy – lack of relevant know-how in municipalities <p>lack of incentives for enterprises to get them involved into the energy planning processes</p>	<p>Construction services for the local authorities – low energy buildings.</p>
<p>Philips (NL) <u>Contact:</u> Mr. Berno Ram E-mail: berno.ram@philips.com Tel: +31 6511 0 2227</p>		<p>Interested to set a „thinking group“ that would search for solutions on how to overcome the main barriers for energy efficiency/renewable energy projects implementation in the new EU Member States.</p> <p>Creation of practical (political?) partnerships that can help municipalities - energy agencies, financial institutions,</p>

4. BELIEF workshop for the New Member States and Candidate Countries: 26-27 November 2008, Warsaw (PL)

List of offers/demands for local actors

	<p>companies that deliver energy efficiency/renewable energy solutions (but the municipalities must be the owners of such companies).</p> <p>Offers: Public lighting, office lighting, schools, domestic lighting.</p>
